

IB DP Mathematics Teacher

Knightsbridge Schools International Montenegro

KSI Montenegro is seeking inspiring and dynamic IB teachers who share the desire to offer our students an opportunity to shape their futures and be all they can be.

We are looking to appoint an outstanding IB Diploma Mathematics Teacher to join our team from August 2021. Applicants must have strong and demonstrable skills teaching Mathematics, with exceptional subject knowledge and experience teaching students in the IB Diploma Programme. Experience of Mathematics in upper MYP grades, or the ability to offer an additional subject would also be an advantage.

Requirements:

- Fully qualified teacher status with internationally recognised teaching qualification.
- Experience of IB (DP essential, MYP desirable)
- A creative and enthusiastic approach both in and out of the classroom
- An excellent team player, flexible with strong interpersonal communication skills
- Native or excellent command of English language

What we offer:

- Attractive campus in a beautiful location
- Wonderful students that are enthusiastic and keen to learn in a positive environment
- Opportunity to work within a team of highly supportive and creative colleagues
- Professional development and guidance
- A school committed to doing the best for students to ensure they become all they can be.
- An remuneration package that includes competitive salary, furnished accommodation, medical and travel insurance, settling-in allowance, flights, and free tuition for up to two dependants.

KSI Montenegro was founded in 2010 and has established a reputation for its educational programme and unparalleled boarding care. As the first IB World School in Montenegro, the School is part of a global network of international schools, united through a shared ethos and curriculum. KSIM is modelled on the international standards expected of high quality schools across the globe and offers a unique and holistic approach to education in the beautiful Bay of Kotor. Our school forms part of the award-winning Porto Montenegro, Tivat's former naval base that is now one of the best luxury super-yacht marinas in the world.

Through their experiences at KSI Montenegro, students are inspired to become lifelong learners, independent problem solvers and contributing global citizens. The critical partnership among students, parents and school is a top priority and provides all KSI 'Knights' with a supportive environment, a love of learning, and opportunities for academic excellence.

To be considered for this post, please submit the documents below for the attention of the Head of School; r.ingham@ksi-montenegro.com

- CV (with at least three references, including your most recent supervisor)
- Cover letter, highlighting your related experience and past achievements and accomplishments. You should also include any additional information about your educational philosophies and how your appointment could potentially enrich the KSIM community.
